Mme. Butterfly, pink-jap, very good 2.00

The following are \$1.00 each:

Felix Crousse, red-double  
Adolphe Rousseau, red-double  
Louis Joliet, red-double, dwarf  
Rosalie, rose-double, dwarf  
Noonday, rose-double, late  
A. M. Brand, rose-double, fades  
Wm. F. Turner, dark red, loose double

If not ready to plant when roots are received, just cover with loose, moist soil; they will keep all winter if necessary, but early planting gives best results.
